Braid blow: 3 damage.

Cannot be dodged, nor countered.

Waffle iron: 2 AP / 3 fire damage. In case of CH on a male opponent, he will be considered female until the end of the game.

Opulent breast: when an opponent restrained by Angela is released or frees himself, he loses 1 in C and 1 in M until the end of the game (not cumulative).

Patronne de la Madone

Angela can recruit all the female profiles of Anthrophia (even Bonnie Heart). Moreover, when her team is composed with only females, each can use the other's special skills (except those that depend on the nature of the character such as "opulent chest", "Mucus" and / or "aquatic creature" for instance).

Linked to Angela.
