Nyx's DAUGHTER

Nyx's daughters are the closest to the Mother of all Fangs, they have been trained in the occult arts since childhood.

They have the ability to possess 3 pages of spells even without a grimoire, or to add 3 pages to a small one.

In addition, they gain the skill "Close Guard": they can recruit 1 minion in their Spearhead without paying the cost (maximum 2 free minions, without exceeding the total limit of 5 per Spearhead).
